

CPSIA CERTIFICATE OF COMPLIANCE

AllStar RESIDENTIAL GARAGE DOOR OPERATORS

This certificate of compliance provides information as required by section 14(g) of the Consumer Product Safety Act, 15 U.S.C. §2063(g). This certificate includes all models of AllStar Pro, LLC manufactured residential garage door operators.

AllStar Pro, LLC certifies that all models of manufactured residential garage door operators with the following manufacturing dates are certified to the requirements of 16 CFR Part 1211:

Models: MVP, MVP-SB
Manufacturing Date & Serial Number: MMYYS SSSS (Month,Year,Serial Number)

The manufacturing date and serial number is located on the back panel of the garage door operator. It is included with other electrical and safety data for that particular garage door operator.

The operators referenced by this Certificate of Compliance have been tested and are Listed by Underwriters Laboratories Inc. to UL325. UL325 is the standard for "Door, Drapery, Gate, Louver and Window Operators and Systems". The UL Listing is indicated on the product and its' carton.

Testing for operators covered by this certificate occurred at Melville New York at the UL Testing Laboratories, Inc.

Most recent testing dates proving compliance are:
February 26, 2008

Production of this product occurred at Linear China Manufactory, Guangdong, China.
