

MINILINE RECESSED MOUNT KIT

MLR SERIES

SAFETY PRECAUTIONS

The exclamation point within an equilateral triangle is intended to alert the user to presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

SECURITE

Le point d'exclamation à l'intérieur d'un triangle équilatéral avertit l'utilisateur de la présence d'instructions importantes d'utilisation et de maintenance dans la documentation accompagnant l'appareil.

SICHERHEITSVORKENHRUNGEN

Das Ausrufezeichen in dem gleichseitigen Dreieck ist dazu da, den Benutzer auf wichtige Inbetriebnahme- und Instandhaltungsvorschriften hinzuweisen, die dem Gerät in Form einer Broschüre beigelegt sind.

PRECAUCIONES DE SEGURIDAD

El símbolo de exclamación dentro de un triángulo equilátero, se muestra con el objetivo de alertar al usuario de que instrucciones de operación y mantenimiento importantes acompañan al equipo.

1 UNPACKING

Unpack carefully. Check to ensure that the following items are included for the applicable modules ordered:

- MLR: Recessed Mount Kit

This kit should be used with Aigis Indoor MLP MiniLine Series products

Recessed mount kit can be mounted in the wall or ceiling.

2 SERVICE

If the unit ever needs repair service, the customer should contact the nearest Aigis Mechntronics for return authorization and shipping instructions.

3 INSTALLATION

ATTENTION: Installation should be performed by qualified service personnel only, in accordance with the National Electrical Code or applicable local codes.
